I-80 Road Work

(Westbound Interchange Ramps @ IL 71)

Ottawa, IL – The Illinois Department of Transportation announces that in conjunction with the current resurfacing of I-80, between the Fox River and the Marseilles Exit, work will be done on the westbound ramps of the IL 71 Interchange beginning May 28, 2015 (*weather permitting*). To allow this work, the ramps will be closed to all traffic beginning around midnight May 28, 2015 and continuing into the morning of May 29, 2015 until around 6 AM.

During the work, message signs will direct traffic to use either the IL 23 or the Marseilles Interchange.

Motorists should be alert for these alternate routes.

(Contract #66A35_5)

Please slow down and use extreme caution while driving through all work zones.

WORK ZONE SAFETY
IT'S YOUR RESPONSIBILITY
